Mr Gyan Mohan, said, "I am humbled by the decision of the members who bestowed me with this responsibility. Today, microfinance is one of the fastest growing financial segments which has developed great resilience over the years. As it grows, we would require to further strengthen the industry by cementing the client protection processes and greater adoption of technology by the players. I am hopeful that I would be able to make significant contribution to MFIN and the industry."

Mr Jagadish Ramadugu, commented, "I would like to extend my gratitude to MFIN members who entrusted me with this great responsibility. Over the years, MFIN has tirelessly worked towards growth of the industry and its strong regulations. The transformation of the industry has been significant over the past decade and we are confident that microfinance will continue to further the agenda of financial inclusion and women empowerment through promoting entrepreneurship. I hope that through my experience I would be able to provide continuous feedback and innovative ideas to further strengthen the industry."

Mr Gyan Mohan is a career banker with exposure in all facets of Banking and Finance including investment and international banking. He started his career as a Probationary Officer, SBI in 1979 and had several challenging assignments both in India and abroad. He has worked with SBI Capital Market as SVP & GH (M & A) and is credited with advising on many privatization, mergers and advisory assignments. He has held top management position in SBI, IDBI Capital, Power Exchange India Limited, Fortune Financial Services Limited and SIS India Limited. Mr Mohan has keen interest in social banking and has been associated with poverty alleviation programme during his various assignments at SBI.
