Dr. Alok Mishra Yetla: Augmenting PharmaScope with Visionary Leadership

Dr. Alok Mishra Yetla, a visionary leader in the pharmaceutical industry, has been instrumental in shaping the landscape of the pharma sector. His strategic vision and innovative approaches have propelled the growth of companies, leading to significant advancements in the sector. With a strong background in medicine and a keen understanding of market dynamics, Dr. Yetla has been a driving force in the evolution of the pharma industry.

In his role as an accomplished leader, Dr. Yetla has demonstrated a remarkable ability to navigate complex challenges with grace and precision. His leadership style is characterized by a strong commitment to ethical practices and a dedication to fostering a positive work environment.

Dr. Yetla's contributions to the pharma sector are not limited to his leadership at the helm of companies. He is also recognized for his active involvement in industry associations, where he has consistently advocated for policies that promote innovation and sustainability.

Under his leadership, companies have not only thrived but have also contributed significantly to the betterment of public health. Dr. Yetla's journey exemplifies the transformative power of visionary leadership, inspiring others to pursue excellence and innovation in the pursuit of improving healthcare.

As a leader, Dr. Yetla embodies the spirit of continuous learning and adaptation. He is always on the lookout for new opportunities to enhance the value proposition of his companies, ensuring that they remain at the forefront of the industry.

Dr. Yetla's leadership philosophy is centered around the belief that a strong foundation of ethical practices and a commitment to sustainability are the pillars upon which enduring success is built. His vision is to create a future where the pharma sector is not only resilient but also a driving force for positive change in society.

In conclusion, Dr. Alok Mishra Yetla is a beacon of inspiration for those aspiring to make a lasting impact in the pharma sector. His leadership exemplifies the importance of integrating ethical practices with strategic vision, paving the way for a future where the industry operates with integrity and excellence.

New Delhi: Microfinance Institutions Network (MFIN), the premier industry association and Self-Regulatory Organization (SRO) for the microfinance industry in India today announced that Dr Alok Misra, currently Professor & Chairperson of Public Policy & Governance at MDI Gurgaon, will be taking over as CEO of MFIN from 1st August, 2020. Dr Misra takes over from the present CEO, Harsh Shrivastava, who has decided to move on after over 2 years at MFIN.

Dr. Alok Misra has 28 years of professional experience in international development, rural finance, microfinance, inclusive finance and research at both policy and implementation level. Dr Misra has worked globally across 22 countries and with premier institutions like NABARD, NCDEX and MDI. He has provided consulting to ADB, UNCDF, World Bank, IFC, IDLO, Rabo Bank among others. Currently, he is a member of SMART Campaign Accreditations committee, Inclusive Finance India Group of Advisors and member of digital finance working group constituted by ITU, Geneva. Dr. Misra holds a PhD in Development Studies from Victoria University of Wellington, Master’s in Development Management (Gold Medallist) from Asian Institute of Management, Manila. He has been trained at Harvard Business School and was a Fellow, Fletcher Leadership Program for Financial Inclusion at Tufts University. Dr. Misra is a global expert in inclusive finance.

Welcoming Dr Misra, Manoj Kumar Namhbar, Chairperson of the MFIN board said, “We are delighted to announce the appointment of Dr Misra as the new CEO and Director at MFIN. His background and long experience in the sector makes it a natural choice. I have no doubt that he will add great value to our future plans as we build on the last 10 years and look forward to the next decade of the association.”

In a communication to the Members of the Association, Mr Namhbar mentioned that Harsh Shrivastava has moved on to pursue a career in public policy. He thanked him for his involvement in various initiatives like CRL in microcredit, various policy advocacy efforts, crisis management in States, and in ensuring a higher visibility for MFI’s and MFIN.
